

DEVELOPING ATHLETE PROGRAM

NCAS Basketball Program 2021-22

About the Academy

Established in 1989, the North Coast Academy of Sport aims to assist young athletes from the region to achieve sporting excellence. The Academy is a non-profit organisation covering the NSW coastal region extending from Laurieton to Tweed Heads. Programs in numerous sports are offered, with the Academy working closely with the relevant state and regional sporting associations.

About the Basketball Program

The Academy Basketball Program was originally established by the Academy in 1990, with the program running until 1998. The Academy reintroduced Basketball in 2006 and has since partnered with Basketball NSW to assist in delivering the Basketball New South Wales' High-Performance Program - a three-tier system developed to identify, develop, and foster the skills of young athletes who aspire to compete at the representative, national, and international levels of basketball. For Country Athletes – the DAP Program will be delivered through the Regional Academy of Sport's networks.

Athletes will need to apply annually to join DAP/SPP/NPP, even if they have made said program in the previous year. The Developing Athlete Program (DAP) is the first tier of Basketball NSW High Performance Program. From the athlete's perspective there is a strong focus on the identification, development, and support of individuals born in 2007-2010. The Developing Athlete Program also serves as platform to develop and educate aspiring elite coaches. Basketball NSW will provide expert coaching with elements of mentoring, training, education and support.

The delivery of the DAP program in North East NSW will include up to 40 athletes in 2021-22, selected through a public call up, followed by a selection trial which is to be held 5th December 2021. The selected squad will be announced following the trials.

DAP Program Structure

The program will involve:

- 1 x trial day
- 4-5 x training sessions. Confirmed NCAS calendar will be forwarded to athletes offered a position within the squad following trials
- A Tour to the Your Local Clubs NSW Academy Games held in Wagga Wagga during 8-10th April 2022 for some selected squad athletes
- NCAS Education Program (dates TBC)
- There may also be invitations to attend BNSW development/competition events (TBC by BNSW)

Up to 40 athletes that show the potential to progress onto state or national level basketball will be selected into the squad as either performance or development players. As well as intensive training days and/or camps, squad members also receive an athlete education program which includes
